

About Me

My name is Eshan Karnik. From a young age, my passion for animation was sparked by watching cartoons like Shinnchan and Chota Bheem. This early fascination with animated storytelling inspired me to pursue a career in animation. Today, I am dedicated to creating compelling content that will inspire the next generation and foster an appreciation for art.

Experience

EK NUMBER STUDIO (INTERNSHIP)

(May 2022 - August 2022)

Motion Graphic and storyboard artist

- Contributed to the upcoming Marathi film "Hoy Maharaja," gaining hands-on experience in motion graphics.
- Collaborated on various projects for Amazon Mini TV.

FREELANCING

After finishing my internship, I continued my studies and finish my degree course on May 2023. From May 2023 to September 2024 I worked on multiple projects.

- Tang Advertisement (Onam Campaign)
- Created an animated sequence for Tang's Onam advertisement.
- Storyboards for V.F.X. in Nigerian documentary.
- Working on a Web-comic.
- Storyboard artist for episode 1 of an upcoming horror television show. I had to create 129 panels which will be used during the audition.

MIND FRAME INDIA

(October 2024 - present)

Junior Motion Graphic Designer

- Working with brands such as Geeta Aluminum, Dewan Consultancy, Persian Darbar, Marashali, etc. Creating Instagram promotional reels for the brand.
